

MORE THAN JUST
MATTING

Upper Limb MSDs,
Shoulder and Neck Pain.

Lower Back Pain,
Muscle Strains and Tears.

Osteoarthritis, Bunions and
Corns, Knee, Calf and Heel Pain.

Over 45% of European workers complain of
standing in tiring positions at work.

Standing on cold, hard floors can lead to a multitude of health conditions,
resulting in millions of working days lost to illness and fatigue.

COBA Europe's Anti-Fatigue Matting keeps your employees standing
safely and in comfort.
